

Welcome to Collardey Counseling and Consulting!

Included in this folder are documents of information to help you learn about who we are and what we do in service to you. Information includes our curriculum vitae (resumes), disclosure of our practice, and forms we use as tools to support our work with you. You may receive copies of any of these documents. For any form that we ask you to sign, you would receive a photocopy for your own personal records.

For work with either Tim Collardey or Elizabeth Collardey, the first consultation session has no charge. We believe that for people to make informed decisions about seeking support in their lives, they need to at least meet the person and find out how they feel in the potential counselor's presence. We will be as flexible as possible in scheduling meetings in terms of place and time.

We hope you will find our office location and space safe, humanly comfortable, and reflecting soul-full qualities that will support your needs as you work with us.

We welcome any questions you may have. We are honored you have considered us to serve as a support to your growth. We are grateful to join you as we walk together the labyrinth of healing peace.

Respectfully,

Elizabeth KimJin Collardey, PhD, LCSW
